Gerald Marshall Weil, known as Jerry Weil. Married to Ruth Weil for 56 years. Moved to California in 1983. Had 3 children and 6 grandchildren.

Belonged to the La Jolla ACBL Unit 526 until 2006. Was on the Board of Directors for a few years, then joined North County Coastal Unit 531. When we moved from Connecticut in 1983, Jerry was the Production Manager for a small power semiconductor company and the day he left to move to California the 20-some production workers (all women) cried because they felt Jerry was such a great boss. His work ethic was transmitted to his youngest son, Alan, who now lives in New York and is a prominent attorney in charge of the Real Estate division of Sidley (an international firm) in New York City and is the Global Leader for the Real Estate Group there. Alan is also Chairman of the Board of the Broadway Housing Communities in Manhattan (non-profit low-cost housing units).
